

## Important Deadlines

### Imprint Reporters Needed

*Imprint* seeks reporters for the 2009-10 academic year. The Happenings and Up Close columns report on the activities of chapters and individuals who make NSNA and nursing stand out in the community. The Up Close reporter profiles an outstanding NSNA member who's involved and making a difference in her or his school,

or even abroad! The Happenings reporter communicates with state and school chapters to learn about the activities they've taken on in their communities. Chapter fundraising events, headline-grabbing projects, and community health initiatives have all been featured. For more information and to apply, go to [www.nsna.org/pubs/periodicals](http://www.nsna.org/pubs/periodicals), or write to [nsna@nsna.org](mailto:nsna@nsna.org), attn: Jonathan. Applications must be received at NSNA headquarters by Monday, May 18, 2009.

### Call for Study Tips

*Imprint* enters its summer hiatus after this issue. The magazine returns in the fall, in conjunction with the back-to-school season. Get your name and study tips printed in the September/October Back-to-School issue. In this popular annual feature, students share and learn about the best study ideas that have helped student nurses thrive. Last year, students shared many creative ideas, including NCLEX® board games, parlor games, concept maps, study scheduling, exercise and more.

Materials for the September/October Back-to-School issue are due **June 1, 2009**. If you have any study tips to share with the membership, email them to [nsna@nsna.org](mailto:nsna@nsna.org), attn: Study Tips 2009. The editors also encourage faculty and advisors to send in their ideas to help students ace their exams!

### Resolutions Committee Deadline

The Resolutions Committee plays a crucial role each year leading up to the Annual Convention, ensuring workable implementation of the resolutions. The chairperson will attend the 2009 MidYear Conference in Phoenix, AZ, and the 2010 Annual Convention in Orlando, FL. Go to [www.nsna.org](http://www.nsna.org) under What's New to read more about the qualifications necessary to fulfill the positions, and to download an application.
