

# Children's Medical Center Dallas

## CAREER OPPORTUNITY PROFILE

### GENERAL

Children's is one of the largest pediatric providers in the nation and is ranked one of the top 25 pediatric hospitals in the country by *U.S. News and World Report*. As the primary pediatric teaching facility for the University of Texas Southwestern Medical Center at Dallas, Children's is the only academic hospital in North Texas dedicated exclusively to the comprehensive care of children from birth to age 18.

With more than 50 pediatric sub-specialty ambulatory programs, Children's Dallas is licensed for 411 beds, and is the only pediatric hospital in the Southwest with a designated Level I trauma center. The all-new Children's Legacy location in Plano, Texas, licensed for 72 beds, offers the largest suburban group of pediatric specialists in the nation under one roof.

A private, not-for-profit, fully accredited pediatric system, Children's is affiliated with the University of Texas Southwestern Medical School, Texas Women's University, Baylor University School of Nursing, University of Texas at Arlington, Texas Tech University, and Dallas County Community Colleges.

### FACILITIES

As one of the nation's premier pediatric healthcare systems, Children's is on the leading edge in research and technology in all areas of pediatrics including Cardiology, Nephrology, Gastroenterology, Perioperative Services, Emergency Services, Trauma/Transport Services, Psychiatry, Critical Care, Ambulatory Care, General Pediatrics, Hematology/Oncology and Solid Organ Transplant.

### OUR TEAM

Our nursing team consists of more than 1,500 talented RNs. Our nearly 140 advanced practice nurses are nationally recognized clinical experts in teaching, research and consultation within nursing. Nurse practitioners, physicians assistants, clinical nurse specialists, clinical nutritionists and psychologists are key members of the provider team at Children's. All are involved in providing direct care in inpatient and ambulatory settings. In addition, department-based respiratory care practitioners, social workers, chaplains, child life specialists and clinical technicians provide support 24/7.

### REACHING NEW HEIGHTS

Be the One to turn a job into a career at Children's. Employees at Children's can explore many new paths with a multiplicity of specialty areas and roles, support for continuing education and advanced certification. Children's provides a tuition reimbursement program to support employees pursuing advanced degrees and continuing education. In addition, on-site continuing education and professional development classes ranging from in-services on new equipment to PALS Certification is offered.

### BENEFITS

Children's offers nationally competitive compensation and comprehensive benefits, relocation assistance; a generous Paid Time off program; differentials for off-shifts and weekends; free covered parking, discounts on public transportation and more.

To learn about joining the Children's team, please visit [www.childrens.com](http://www.childrens.com) or contact 888-848-2990. EOE.

## CAREER OPPORTUNITY PROFILE

### GENERAL

A not-for-profit, multispecialty, academic medical center located in Cleveland, Ohio, Cleveland Clinic is ranked among the nation's top hospitals by *U.S. News & World Report*, year after year. A teaching and research leader, we offer healthcare professionals exceptional opportunities.

### FACILITIES

Cleveland Clinic's Main Campus is one of the nation's most exciting and educational medical environments, where world-class physicians treat the most complex cases. Recognized as one of America's Best Hospitals, and having earned Magnet status, Cleveland Clinic offers care in 120 specialties and subspecialties.

Children's Hospital, a Magnet-designated facility, provides a continuum of care unique in the region, including advanced cardiovascular care, Level III NICU, PICU, pediatric transplant center and more.

Euclid Hospital, award-winning and home to one of the region's leading orthopaedic and rehabilitation centers, offers inpatient and outpatient services.

Fairview Hospital, a Top 100 Hospital (Thomson Reuters), is home to one of the area's busiest birthing centers, a Level III Perinatal Center and Level III NICU.

Hillcrest Hospital, named one of the nation's best hospitals 10 times, has also earned national honors for cardiac excellence and comprehensive cancer care.

Huron Hospital, a leader in diabetes care, provides a wide range of services to a diverse patient population.

Lakewood Hospital, a leader in neurosciences and diabetes care, offers Cleveland Clinic Neurological Institute services and a Neuro Integrated Care Unit.

Lutheran Hospital offers expertise in geriatric and adult behavioral health, orthopaedics and wound care.

Marymount Hospital, a full-service acute-care hospital, offers Cleveland Clinic thoracic, vascular, urology and pain management services.

South Pointe Hospital, one of Ohio's largest osteopathic teaching hospitals, offers a full range of services.

Ashtabula County Medical Center (affiliate hospital), the county's only provider of obstetrical services, offers a wide range of care.

All Cleveland Clinic hospitals have been named Best Places to Work in Northeast Ohio by NorthCoast 99.

### SPECIALIZATION

Whatever nursing specialty you're interested in, you can find it here. Excellent orientation, training and certification will prepare you to succeed in areas such as Vascular Surgery, Internal Medicine/Telemetry, Neurosciences/ Spine Center, Pediatric/Adult Critical Care Transport, Cardiac and more.

### ORIENTATION

To insure your success at Cleveland Clinic, you'll be assigned a Primary Preceptor who serves as a mentor and coach. Unit-based preceptors help with clinical orientation, and you may also attend specialty-based classes.

### WORKING ENVIRONMENT

At Cleveland Clinic, you'll work with and learn from leading professionals. Grow your career through excellent orientation, education, advanced training, specialization and research opportunities. Along with many other benefits, we pride ourselves on bettering your quality of life by offering free programs to help you make healthy lifestyle choices.

# Renown Health

Be Inspired.  
Be Renown.

## CAREER OPPORTUNITY PROFILE

### BE EMPOWERED. BE RENOWN.

It's access to an unparalleled level of knowledge and experience. A chance to share in our expertise and partner with a knowledgeable peer. An invitation to join one of Nevada's Best Companies to Work For\*—and most importantly, your opportunity to be renown.

### EXCEPTIONAL OPPORTUNITIES

At Renown Health, we proudly offer students and new graduates an unequalled opportunity to gain the valuable experience and knowledge that will help you succeed in your career. From our new-graduate internships to our Apprentice Nurse II Program, we offer promising students like you real opportunities in departments typically not open to seniors and new-graduates.

#### Apprentice Nurse II Program

Working within the flexibility of your class schedule, this program pairs senior nursing students with nurses and introduces you to real-life nursing situations in adult intensive care, maternal units, and everything in-between. These challenging opportunities allow you to expand the scope of your knowledge base, as well as your nursing and clinical skills.

Through the program, you'll also have the ability to participate in professional development forums and other activities to help integrate you into your team at Renown. You will also complement your experience with a specifically designed support system that focuses on sharing your Apprentice Nurse II experiences and maximizing your professional development.

#### Postgraduate Internships

An exciting benefit we offer exemplary new graduates is the opportunity to take the first step toward specialization through internships

with departments typically unavailable to new graduate hires at other hospitals. Though demanding, our internships are equally exciting and rewarding, with placement in departments such as intensive care and the emergency department. It's your opportunity to reap the rewards of one of the finest graduate programs in the nation and increase your ability to serve our patients and the community.

### GROWTH AND MOBILITY

Serving a 17-county region with a total population in excess of 750,000, our facilities include two medical centers, a rehabilitation hospital, a skilled nursing facility, numerous medical group and urgent care facilities, and the region's most trusted health insurance provider, Hometown Health.

It is through this network of facilities that we proudly offer equal access to our entire continuum of care to all members of our communities, and the depth and breadth of opportunity to grow your career.

### THE BENEFITS OF BEING RENOWN

As a part of our team, you'll find an exceptional level of career growth and satisfaction through a variety of initiatives implemented on your behalf. We have work-life balance and wellness programs designed to enrich your work experience, and flexible shifts and fitness centers to help enrich your personal life. And with our journey towards Magnet status, you can be assured that you are truly on a path to career excellence. Join us today.

## Northern Arizona Healthcare

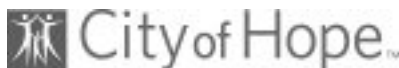

### CAREER OPPORTUNITY PROFILE

Discover exceptional healthcare careers in a spectacular part of the country at Northern Arizona Healthcare (NAH). We are the parent corporation of: Flagstaff Medical Center, a 270-bed regional referral center; Verde Valley Medical Center, a 110-bed not-for-profit hospital; and Verde Valley Medical Center – Sedona Campus, an outpatient facility providing primary healthcare, emergency services and cancer treatment to the Verde Valley area. Through these fine facilities, we are improving the health of the people and communities we serve in northern and central Arizona.

At NAH, we're committed to helping you make the best transition to a rewarding nursing career. Our Flagstaff Medical Center and Verde Valley Medical Center provide a comprehensive training program that is designed to guide you to integrate your medical knowledge with your technical skills. We also offer specialty training programs, including an OR Training Program, Cardiac Cath Lab and CVICU RN Training Programs.

### BENEFITS

The benefits we provide new grads include: Tuition Repayment Program - up to \$5,000 ADN and \$10,000 BSN (VVMC Only), generous Relocation and Sign-Bonus options, Medical benefits effective 1st of the month following date of hire, and excellent Nursing ratios that are CNA supported. Perhaps the greatest benefit we offer is the northern Arizona lifestyle where residents enjoy great recreational opportunities including hiking, biking, camping, rock climbing, kayaking, and camping.

### CAREER OPPORTUNITY PROFILE

#### GENERAL

City of Hope is a world-renowned biomedical research, treatment and educational institution and National Cancer Institute-designated Comprehensive Cancer Center. A dynamic and independent institution, we are a leader in the fight to conquer cancer, diabetes, HIV/AIDS and other life-threatening diseases.

Blending evidence-based nursing with nursing education and research, City of Hope nurses are empowered to make a difference. We are proud to have one of California's highest nurse-to-patient ratios. With our supportive atmosphere and collaborative approach to care

and research, nurses here are directly involved in the development of new treatments that can impact the lives of patients everywhere.

### SPECIALIZATION

Our Oncology Internship Program will prepare novice and experienced RNs to work in an inpatient oncology setting. The program is a structured 14-week curriculum that includes both classroom and clinical experiences:

- General Hospital and Safety Orientation
- Nursing and Clinical Policy and Procedures
- Oncology Core Curriculum (Adult & Pediatric Content)
- One-on-One Clinical Preceptorship
- ONS Chemotherapy/Biotherapy Certification or APHON Chemotherapy Certification
- Hematopoietic Cell Transplant Training
- Critical Care Training (additional 3-months for those hired to ICU)

### BENEFITS

Generous shift differentials and weekend differentials and specialty certification pay are part of our compensation package. Our benefits include medical, dental & vision care. We offer both tuition reimbursement and continuing education funds.
