### **Getting the Most from Nursing School: A Guide to Becoming a Nurse**

**Robert Atkins, PhD, RN**  
2009, 256 Pages, \$28.95

Find Success in Nursing School! *Getting The Most From Nursing School: A Guide to Becoming a Nurse* presents a roadmap to guide talented men and women along their journey from considering nursing as a profession to their first position as a registered nurse. This exceptional resource provides the necessary guidance to ensure that students get the most from their education and become excellent care providers, policymakers, educators, and researchers and achieve their goal of improving the health and well-being of others.

*Getting The Most From Nursing School* is written by a doctorally prepared nurse, researcher, and professor and can be distinguished by its evidence-based information, its anecdotes, and its empirically grounded recommendations from nurses who have decades of experience in both clinical practice and as educators.

Sample chapters include:

- Why become a nurse?
- Nursing school is tough...getting through the classes.
- Surviving and succeeding in clinical.
- Preparing for success on the NCLEX®. ©
