

## NSNA® Board Appoints Hershaw Davis, Jr. and Jody B. Campos to Fill Board and NEC Vacancies

The National Student Nurses' Association® (NSNA®) Board of Directors has appointed University of Maryland student **Hershaw Davis, Jr.** to the Board to fill the position of Director (East). Mr. Davis will complete the term vacated by Daniel Krall, who resigned in October for personal reasons. The Board has also appointed Golden West College student **Jody B. Campos** to the Nominating and Elections Committee (NEC) as the western election area representative. Mr. Campos will complete the term vacated by Jennifer Hawkinson, who resigned in October for personal reasons.

My name is **Hershaw Davis, Jr.** It is my honor to serve on the

2009-2010 NSNA® Board of Directors. I am a Senior BSN student from the University of Maryland at Baltimore. I currently work as a nurse technician at a local hospital in the Emergency Department. My goal is to continue working in the Emergency Department as a nurse after graduation. I also plan on pursuing graduate education with the goal of becoming a nurse educator and researcher.

I've had the pleasure to spend time with several members during NSNA® MidYear Conference. I saw the initiative and drive that our NSNA® members are using to serve their respective communities. I feel humbled to be apart of the leadership team that guides such an industrious group of students. I believe this kind of spirit will help us have a great year! I hope to see many of you at the NSNA® 58th Annual Convention in Orlando, Florida this April.

Hello everyone from the Golden State.

My name is **Jody B. Campos** and I am both pleased and honored to serve on the 2009-2010 Nominating and Elections Committee for the western area. I am currently in my last semester at Golden West College School of Nursing. My passion for nursing comes from my family. After high school I didn't know what I wanted to do and my sister was the one who suggested that I try nursing. I saw the pride and joy that her job brought her, coming home smiling every day, even after a long 8 or 12-hour shift. After a few weeks into the program, interacting with my colleagues and faculty members, I knew this was the career for me. I was impressed with the amount of drive, passion, and care that everyone showed—not only for one another, but also for the patients in our care. As my graduation date nears, I find myself inclined to work with the geriatric population—something I've wanted to do since my first semester.

At my local chapter, I am the Breakthrough to Nursing® Director and I have worked with my fellow board members to implement various projects that make our chapter known around the School of Nursing and throughout our entire campus. I am very grateful to my faculty advisor Nadine Davis for her undying support and enthusiasm for nursing and NSNA®. She was my inspiration to run for national office and my unfaltering support system.

I hope that throughout the remainder of my term I can motivate students to run for national office. As the western election area member I hope to inspire and support my constituents in any way that I can, so that together we can further the NSNA® mission and foster new nurse leaders. I look forward to a wonderful year and hope to see you all at the Annual Convention in Orlando.
