- ✓ Explore options for advancing your education;
- ✓ Network with nursing students from all around the country;
- ✓ Learn about creating an on-line portfolio to enhance your career;
- ✓ Visit the exhibits and learn about resources to enrich your career;
- ✓ Learn how to get more active in NSNA® and develop leadership skills;
- ✓ Earn continuing education credit as a faculty member.

Here's YOUR
Personal
Invitation!

Cincinnati, Ohio is the location for the 2010 MidYear Career Planning Conference. The conference takes place at the Duke Energy Center steps away from shops, restaurants and entertainment in downtown Cincinnati. The headquarters hotel is the Millennium Hotel, the only hotel connected directly to the Duke Energy Center via enclosed skywalk.

Cincinnati is located north of the Ohio River at the Ohio-Kentucky border with a population of approximately 333,200. "Cincy," as it is fondly called, is a city of firsts: the first professional baseball team "the Cincinnati Red Stockings," now known as the Cincinnati Reds; first and only city to build and own a major railroad; first city to establish a weather bureau; and many more fun facts. Come and enjoy "the Queen City" packed with great restaurants, museums, and sporting events while you attend the NSNA MidYear Career Planning Conference.

Helping you plan your future career in nursing is the goal of the MidYear Career Planning Conference. Beginning with the Keynote Address and ending with the Roundtable Discussions, the conference offers resources to enhance your nursing career. The Conference offers a variety of workshops on leadership, the environment, managing your NSNA chapter, writing a resolution and running for national office. Two specialty nursing panels with representatives from over 12 nursing specialties and the Exhibit Hall with schools, companies, associations, and health care agencies for you to visit and learn about. The Career Counseling Center offers career guidance and résumé review with dedicated faculty to discuss your career plans. Register in advance for the MidYear Career Planning Conference, and the NCLEX® Mini Review Course, an all inclusive package for only \$95.00 (NSNA® member fee registering in advance).

OPENING SESSION AND KEYNOTE SPEAKER "Be the Hero of Your Own Career"

The Keynote Speaker is **Joe Niemczura**, MS, RN. Joe is a faculty member at the University of Hawaii at Manoa in the School of Nursing and Dental Hygiene. His book "The Hospital at the End of the World," is a first hand report of nursing in a lesser developed country and tells the story of his first trip to teach nursing in Nepal. This exciting speaker will inspire you to be the hero of your own career. Keynote Speaker Sponsor: Anthony J. Jannetti, Inc., Pitman, NJ

NCLEX® MINI REVIEW

Get ready for the most important exam of your career! Offering tremendous value to graduating seniors as well as all nursing students, this nine-hour course opens with information on scheduling your test, how the test is scored, and helpful hints for passing the NCLEX®. Questions and discussion throughout the two-day course gives you the opportunity to validate your learning and practice NCLEX®-type questions. Improve your test-taking skills and pass the NCLEX®!

Speaker: **Judith C. Miller**, MS, RN, President, Nursing Tutorial and Consulting Services, Henniker, NH, internationally known speaker and author in the preparation for NCLEX.

GENERAL SESSION: OUR ENVIRONMENT AND OUR HEALTH

Speaker: **Barbara Sattler**, DrPH, RN, FAAN, Professor and Director, Environmental Health Education Center, University of Maryland School of Nursing, Baltimore, MD
The session will explore the relationship between environmental exposures to chemicals and many of today's most vexing health problems, such as neuro-developmental problems, asthma, infertility, and cancer. A national nurse survey will be reviewed and the types of health risks that can occur from our occupational exposures.
