

It will be here sooner than you think, coming at you like a tidal wave.

It is your future...decisions, choices, career paths. One organization can help, the **National Student Nurses' Association**®.

NSNA® is your professional connection to nursing. Your membership unites you with students and professionals who share your vision, who are shaping the future of nursing and who want to "Catch the Wave with NSNA." Now is the time to join NSNA®, the preprofessional organization for nursing students. Over 50,000 nursing students enrolled in associate degree, diploma, baccalaureate,* generic masters, generic doctoral or prenursing** programs, are members of NSNA® and are taking advantage of the many programs, discounts on products and services, and leadership opportunities that NSNA® offers.

* RN to BSN students are also eligible for membership.

** Prenursing students enrolled in college or university programs who are taking the prerequisite courses designed as preparation for entrance into a program leading to an associate degree, diploma, or baccalaureate degree in nursing are eligible to join as associate members.

THE MISSION OF NSNA® IS TO...

- **Bring together and mentor** students preparing for initial licensure as registered nurses, as well as those enrolled in baccalaureate completion programs.
- **Convey the standards and ethics** of the nursing profession.
- **Promote development** of the skills that students will need as responsible and accountable members of the nursing profession.
- **Advocate** for high quality, evidence-based, affordable and accessible health care.
- **Advocate** for and contribute to advances in nursing education.
- **Develop nursing students** who are prepared to lead the profession in the future.
