Member Privacy Policy

Keeping Your Data a Private Matter

When it comes to confidentiality, you expect a relationship built on privacy and integrity. That's why NSNA is very particular about how member information is shared with others. This policy outlines what we do to protect your personal information and describes how you can limit the sharing of this information.

Keeping Your Information Secure

To keep information confidential and appropriately protected, NSNA has policies that limit access to member's personal information to only authorized NSNA employees who need it to perform their jobs and provide services to you. We also maintain physical, electronic, and procedural safeguards that guard your personal information.

Collecting Information

NSNA collects information that you provide on the membership application, renewal form, and when you notify NSNA of changes.

How Your Mailing Address is Used

Your mailing address is used to send you your membership card kit, membership renewal notice, *Imprint* magazine and Career Planning Guide, NSNA Annual Convention brochure, NSNA MidYear Conference brochure, and other NSNA mailings as needed. Periodically NSNA conducts a member needs assessment and *Imprint* readership survey. Participation in surveys is voluntary. If you have indicated that you hold a leadership position at the school or state level, you will also receive *NSNA News*.

NSNA rents (one-time-use-only basis) the membership mailing list to exhibitors, *Imprint* advertisers, and organizations that provide NSNA member benefits. Revenue generated from this activity helps to support NSNA's operations. The list may be rented to provide members with information about career opportunities, products, and services that NSNA members may find of interest. All such use is reviewed prior to releasing the list and is strictly monitored by NSNA to prevent unauthorized use. In addition, NSNA members may request additional information about the NSNA Partnership Program by checking the appropriate box on the membership application. If a member indicates that he or she wants additional information about the NSNA Partnership Program, the member's address is shared with Partnership Program participants.

Member name, mailing address, phone number, school you attend, expected date of graduation, date you join and date that your membership expires are shared with respective state and school chapters for the purposes of: determining official NSNA and state association constituency status; membership status validation; state and school member mailings (i.e. newsletters and announcements). Information is provided to chapter leaders via electronic file, hard copy list, or mailing labels.

How Your E-Mail Address is Used

By providing your e-mail address you authorize NSNA to use it to communicate with you. You may unsubscribe at any time.

When you join NSNA, you also join a state student nurses association (unless there is no official NSNA state constituency in your respective state). NSNA provides state associations with a monthly report of all members who have joined the association the previous month. This report includes your membership number, name, mailing address, phone number, school you attend, expected date of graduation, and membership join/expiration dates. In addition, as of March 1, 2006, if NSNA has received a signed annual agreement from the respective state association stating that they will not release member e-mail addresses to third parties, the e-mail address is included in monthly state reports. NSNA also provides a service to state associations to send out broadcast e-mail to state association members. When a state association subscribes to this service, you will periodically receive messages from your state association via NSNA broadcast e-mail.
